GRANDVIEW MANOR NEWS

Spring has sprung and the residents at Grandview Manor are delighted by this beautiful un-seasonal weather and have been busy planting vegetable and flower starters. We are pleased with the amount of seedlings that have sprouted. We were also happy to have the Silver Lake Elementary here again to entertain us, and we enjoyed the performance by the 3rd graders who acted out a few short skits and read to the residents. We also held a Saint Patrick's Day party and were honored to have the Campbell Presbyterian Church here to host the monthly birthday party. We are looking forward to a fun filled April with the upcoming trip to the Webster County Museum, the Volunteer Appreciation party, the monthly birthday party to be hosted by the Bladen Methodist Church ladies, and of course the Annual Easter Egg Hunt on April 7th at 10:00 a.m. We will also be holding our annual coloring contest this year as well, you can pick up your coloring pictures at Lora's Beauty Shop, Grandview Manor, Skupa Insurance Agency, and South Central State Bank in Campbell. **Pictures need to be turned in to Grandview by Thursday, April 5th.**

CAMPBELL BLOODMOBILE

Please remember to set aside some time to donate blood on Monday, April 2, 2012, at the Campbell Community Hall.

CAMPBELL AREA CHAMBER OF COMMERCE

The Campbell Area Chamber of Commerce met March 20, 2012, with 32 members and 2 guests present. Birthdays and anniversaries were recognized. Decorations were baskets of oranges, grapefruit, lemons, and pecans from California, picked and furnished by Bud Collison. Reports were read and approved. Betty Meyer reported that she had 95 paid members for the year. Doug spoke about the last SPUCC meeting and the chamber is opposing the Humane Society's position

regarding farm animals. The annual Easter egg hunt will be held at Grandview Saturday, April 7, 2012. The coloring contest will also be held again this year, and the residents will judge all pictures that are returned to the home. The annual clean-up will be held on April 27, from 5-7pm. Lunch will be served following the clean-up. Graduating seniors and parents will be invited to the next meeting for recognition.

FINAL FAREWELL

Edith Johnson, a former Campbell teacher, passed away Tuesday, March 13, 2012, at the age of 100 at Johnstown, Colorado.

SEVERE WEATHER SAFETY TIPS:

Nebraskans live with the threat of severe weather year round. Nebraska Severe Weather Awareness Week, April 6-10, 2009, is a great time to prepare for severe weather. Families should practice their severe weather safety plan at home, work, school, or other public locations that they frequent. Everyone should know where to go should severe weather strike his or her location.

Tornadoes are one threat from thunderstorms that we need to be ready for, but there are other hazards that accompany storms. Large hail, damaging winds, and dangerous lightning accompany some of the storms that rumble across Nebraska. Your actions before and during severe weather may save lives.

Watch vs. Warning

A *tornado watch* means conditions are favorable for a tornado in our area.

- Remain alert for approaching storms
- Listen to local radio or TV for updates
- Be prepared to move to shelter

A *tornado warning* means a tornado has been sighted or is indicated by weather radar.

If you're indoors

- Go immediately to the shelter areas
- Stay away from windows and glass
- Stay in the shelter area until the storm has passed and are advised that it is safe to leave.

If you're outside

- If possible, get inside a building at once
- If you can't get to a shelter find a ditch or low-lying area, apply your hands to cover your head
- Be aware of the potential for flying debris and flooding, and stay away from glass, small buildings, and fencing

If you are in a vehicle, get out and into a building, or, if there is time, lie in a ditch or other low-lying area.
